

# Case Study Introduction

Jitu Shah

June 4, 2012

# Case Study Objectives

- New session for QLW
- Objectives:
  - Learn from the experience of others
    - 5 case studies are of the first wind projects in respective countries
  - Get a brain dump from pioneers
  - Build a network, so you can consult with the presenters after the session
- Guidelines:
  - There are no stupid questions
  - Make the best of these sessions

# End of Day Summary
